

FISCAL NOTE

TO: Chief Clerk of the Senate
Chief Clerk of the House

FROM: James A. Davenport, Executive Director

DATE: February 23, 1995

SUBJECT: **SB 282 - HB 960**

This bill, if enacted, will authorize increasing the size of county work release commissions from three members to not more than 12 members nor less than three members.

The fiscal impact on local governments from enactment of this bill in and of itself is estimated to be minimal since the provisions of the bill are permissive.

The fiscal impact from enactment of this bill is estimated to be an increase in first year local government expenditures to the extent additional travel expenses or per diem payments are incurred for those counties which increase the size of the work release commission. A reasonable estimate of the increase in expenditures cannot be determined but is estimated not to be significant.

This is to duly certify that the information contained herein is true and correct to the best of my knowledge.

James A. Davenport, Executive Director
